

Equality Act 2010 – objectives and compliance information

The anniversary for both the setting of the Equality Objective(s) and agreeing the published information about the school's compliance with its public sector duty in respect of the Equality Act is at the September meeting of the governing body

The current relevant information is published below:-

Equality Objective

The equality objective set by this school is to close the gap in attainment of children in identified vulnerable groups by setting up a file to track their progress termly and monitor provision.

This objective has been incorporated into the School Improvement Plan – **Section 2: Improve the quality of teaching and learning.**

Compliance with public sector duty

The governing body has reviewed the Religious Education and Collective Worship policies.

Both policies make provision for parents and carers to opt out in accordance with beliefs
